24 DAYS UNTIL TRANSITION

# ED LINES YEAR 6 TRANSITION NEWSLETTER

## CORE VALUE: CARE

Teaching students to care for themselves, each other and their education underpins everything we do at King Edward VI. Caring about our future, both individually and as part of our community, is important to us and care for others is the single biggest driver in a great community.

Check out our top tips!

01

Ask lots of questions

02

Be organised - pack your bag the night before, and do your homework when it is set

03

Leave yourself plenty of time to get to school in the morning

04

If you have a problem then share it, and then sleep on it. Things rarely feel as bad in the morning

05

Look on the website for our clubs list and get signed up in September, its a great way to meet new friends.

06

Make sure to look at the transition booklet before you start to familiarise yourself with our school policies.

07

Have fun! Making new friends and facing new challenges is part of the experience of secondary school - enjoy it
