

# King Edward VI CEVC School

## Strategic 5 Year Plan

Vision	<i>To be a vibrant learning community nurturing curiosity, care, courage and creativity in every young person so that they flourish in the world with hope and self-belief.</i>
Values	<i>Curiosity, care, courage and creativity.</i>

**Pillars: Great Learning; Exciting Futures; Strong Character Development**

**Strategic focus: CURRICULUM**

Strategic objective 1:	To provide a broad, inclusive and inspiring curriculum built on our tradition of academic excellence and our values of <i>curiosity, creativity, courage and care</i>
------------------------	---

Strategic objective 2:	To deliver an excellent personal development and careers program enabling all to develop the knowledge, attributes and character they need to flourish both in, and beyond school
------------------------	---

**Pillars: Safe and Welcoming; Strong Character Development**

**Strategic focus: CULTURE & ETHOS**

Strategic objective 3:	To build our community on strong relationships and excellent pastoral care
------------------------	--

Strategic objective 4:	Strong Church of England ethos and partnership adding value and guiding all other strategic objectives
------------------------	--

**Pillars: Great Learning; Exciting Futures; Strong Character Development; Safe and Welcoming**

**Strategic focus: LEADERSHIP AND MANAGEMENT**

Strategic objective 5:	To develop the school facilities and ensure they are fit for purpose for 2030s educational needs
------------------------	--

Strategic objective 6:	To be a great place to work with strong HR practice and excellent investment in people
------------------------	--
