Thank you to everyone who supported the School Carol Service. The music was both angelic and sublime. It was wonderful to come together as a community with all of Year 7 and 8 to celebrate and reflect on the meaning of Christmas.

Parent Reminder: aerosols are not allowed in school. If students wish to bring deodorant products into school, these should be of the rollerball/cream variety please

Message from the Safeguarding Team

The way young people communicate online is constantly evolving, it is essential that young people are provided with up-to-date advice and support. With the latest online safety concerns in mind, South West Grid for Learning have released a new version of 'So You Got Naked Online...', to provide essential advice on what to do if a young person (or a friend) has put a sexting image or video online and have lost control over that content and who it's being shared with.

Whilst there is a lot of advice around preventing these situations in the first place, it is very important to recognise that this does happen and those affected really need support and guidance.

So you got naked online...aims to do just that - it offers children, young people and parents advice and provides strategies to support the issues resulting from sexting incidents. [CLICK HERE](#) for more information.
